One Wheel.

Color Magazine (29.7 cm x 21 cm)

**Look who work for us...**

**And you thought only guys made cars?**

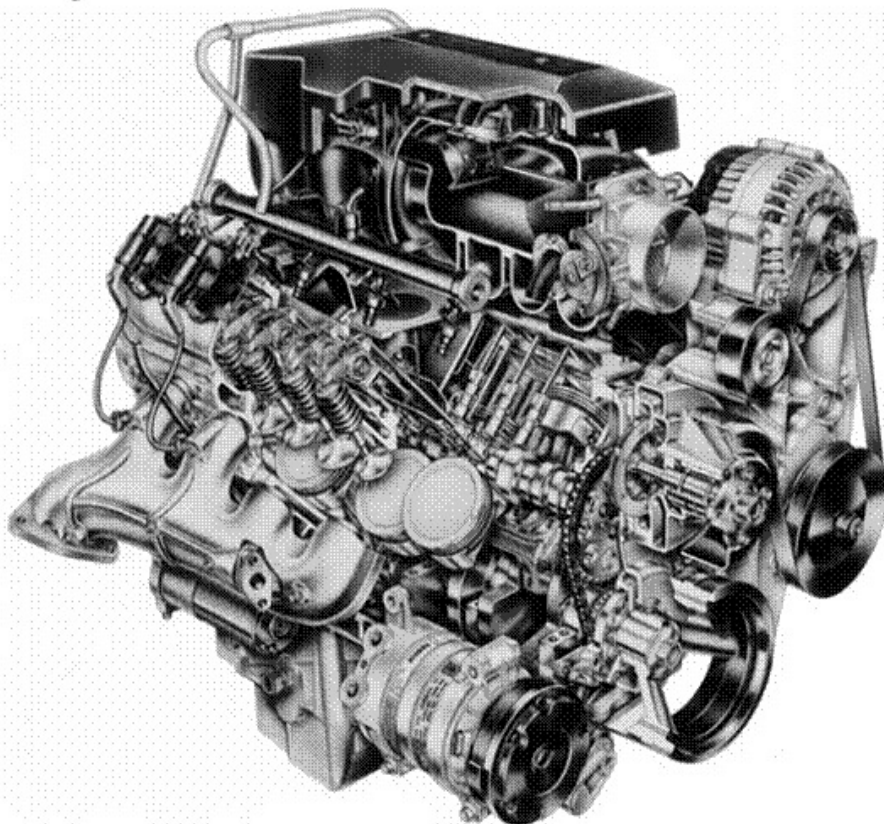

With employees from all races and the highest female workers ratio, Hazarika National Motors is the most diverse work place on the planet. Diversity is our strength.

One World. One Wheel.

**Black and White Magazine (29.7cm x 21 cm)**

We make cars look simpler than they are!

“Hazarika National Motors has been consistently producing top quality automobiles year in, year out.” -Automobile testing association.

We are proud to be one of the finest automobile manufacturers in the world. With break-through technologies being implemented into our vehicles, we make sure that you get excellent reliability, safety and efficiency from every single one of them.

Drive a HNM car, and you will know what you have been missing.

Diversity is our strength.

One World. One Wheel.
